Zukunftsgewerkschaft  
Bergbau, Chemie, Energie

### Legal protection under labor and social law for members included

Legal protection is included as a benefit in the membership fee. The trade union carries the costs for it. This keeps our members safe – both legally and financially. This allows you to gather comprehensive information and, if necessary, to fight for your rights with our help.

After three months of membership, you will have access to all benefits for labor and social legal protection:

- ▶ Legal consulting for all questions from labor and social law
- ▶ In case of a dispute, legal representation by attorneys of the IG BCE or the DGB-Rechtsschutz GmbH
- ▶ Essential benefit: these experts are specialized in your field since they work closely together with people in the labor field. They provide comprehensive consulting, submit suits, and represent you in front of the court. If necessary through all appeal phases. And all this without incurring any additional costs.

### Collective bargaining benefits

If you are employed, you know how important it is that the following topics are regulated in a binding contract and are not left to the arbitrary discretion of employers:

- ▶ wages
- ▶ education funding
- ▶ working hours, breaks
- ▶ surcharges
- ▶ vacation
- ▶ the 13th monthly salary
- ▶ negotiated retirement provisions
